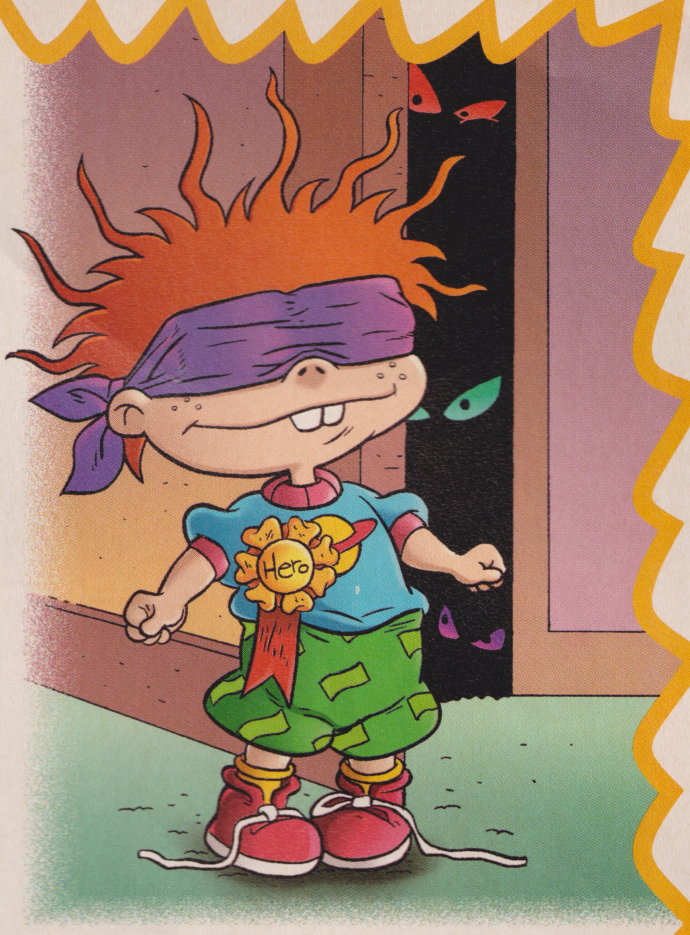
CHUCKIE'S SCARY TALES



When you're a little kid, there's lots of scary stuff out there in the world. That's why I'm here--to tell you guys what to watch out for. If you follow my advice, you might be able to save yourself from bein' scared all the time like me!

I was talking to a little kid at the playground, and he was makin' fun of me because I'm scared of so many different things--shoe trees, the supermarket, dust bunnies, and lots more. He told me there's only ONE thing in the whole world that he's afraid of: the dark!

That's prob'ly the silliest thing I ever heard! When the lights are out, all you can see is NOTHING! (And if you take off your glasses, you can see nothinger.) But when the lights are ON...oh boy, watch out! THAT'S where all the scary stuff is!

When the lights are on at the circus, what do you see? Clowns! And when they're on at the breakfast table, what do you see? The guy on the oatmeal box! See what I mean? But if the circus was in the dark and we ate breakfast at night, nobody would see those scary guys!

Sometimes when I get really afraid of something I close my eyes. That's like turning off my OWN lights. One time I was watching a show about aminals on TV and I saw a monkey dressed in a man's clothes. He even looked like he was talking! I don't know if he was a cartoon or a man who got turned into a monkey, but I got so scared that I closed my eyes and put my hands over 'em. That way, it was double dark! Then I wasn't afraid anymore.

I guess what I'm tryin' to say is that it's okay to be scared of lotsa stuff, but not if it's silly stuff! And being afraid of the dark is kinda silly stuff. You should try it right now! Close your eyes and count to three. One...eighteen...seven...three! Okay, open your eyes. What did you see? Nothing, right?

That's what I mean! I may be scared of everything--but I'm not scared of nothing! If you try hard enough, you can be brave--just like me--when the lights are out!

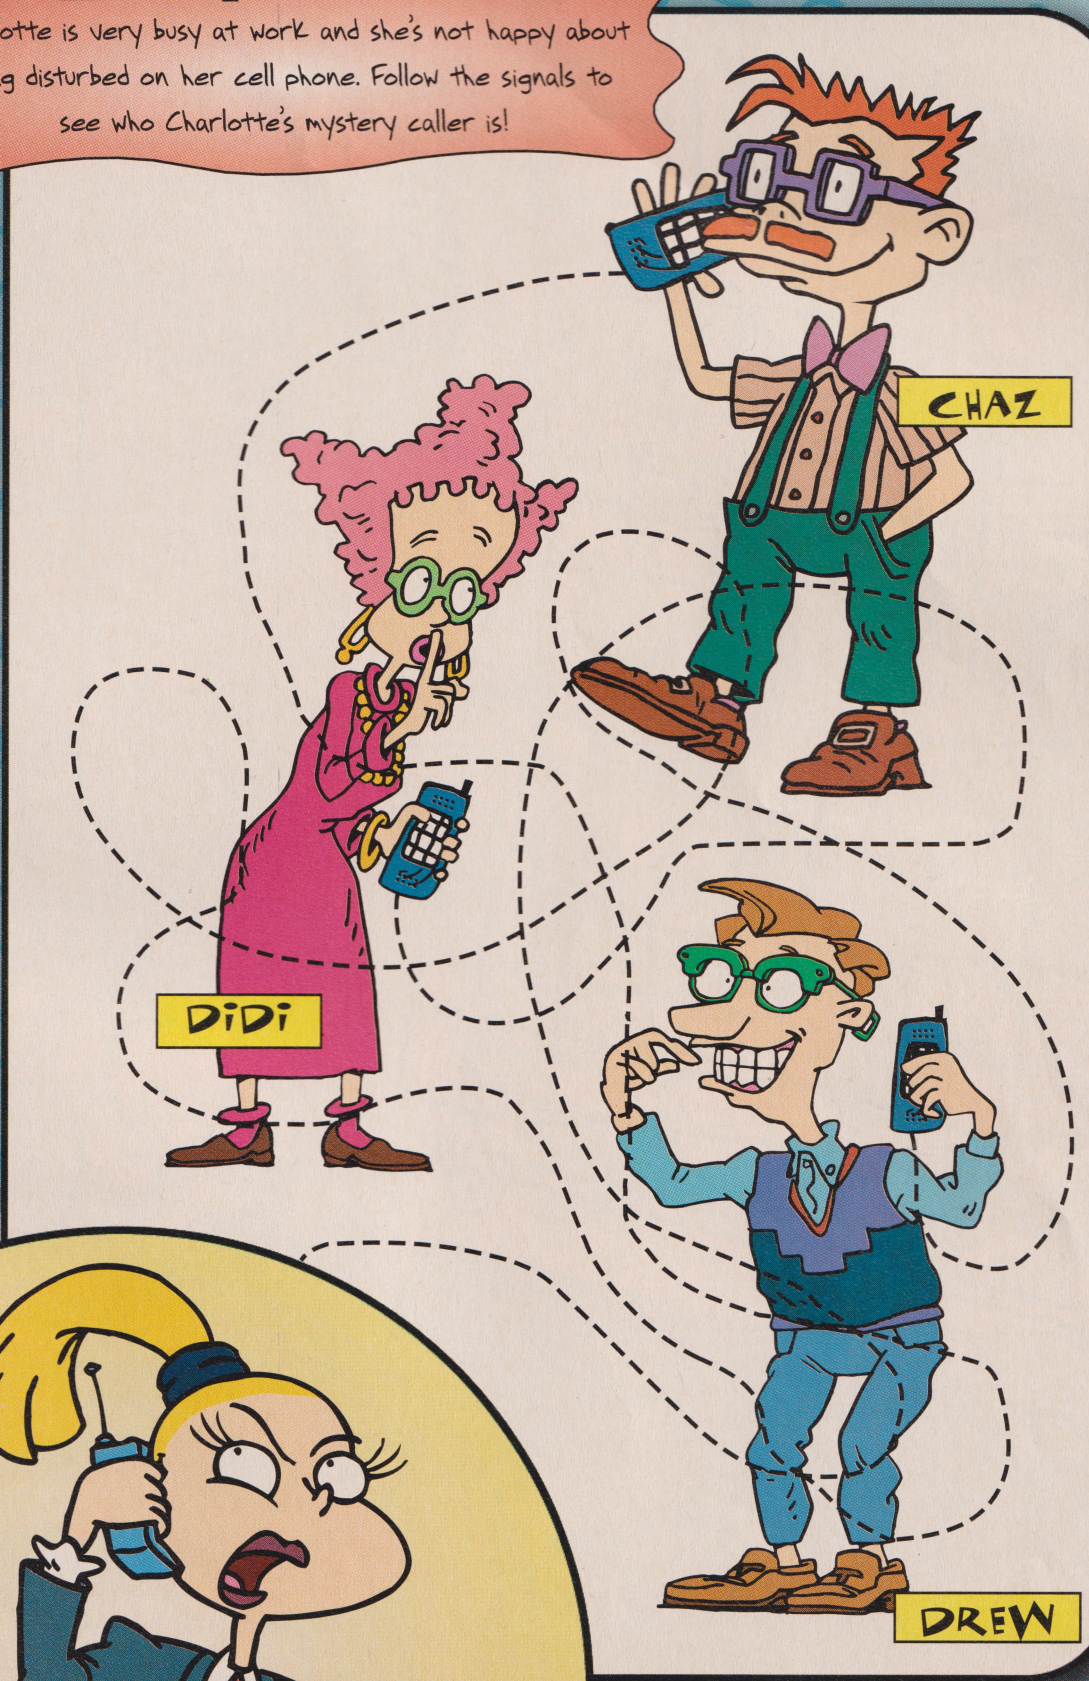
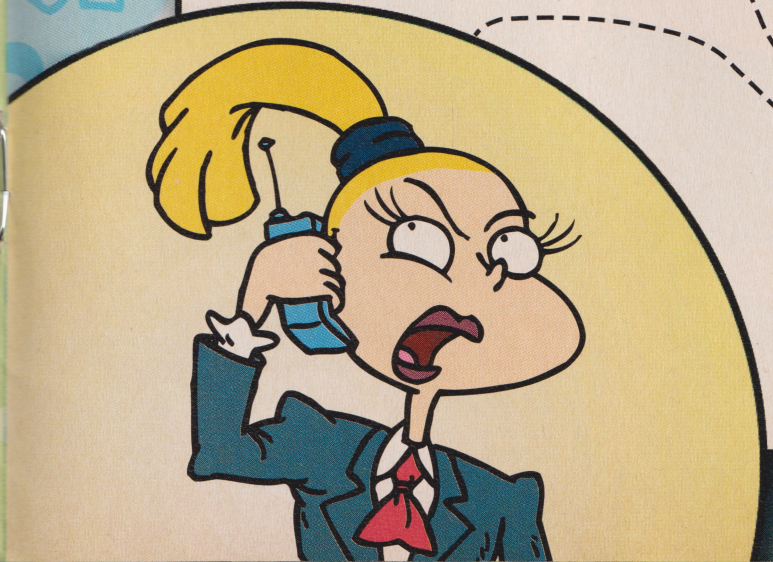
Telephone Twister!

Charlotte is very busy at work and she's not happy about being disturbed on her cell phone. Follow the signals to see who Charlotte's mystery caller is!





Secret Scribbles

Tommy was allowed to write on this wall because Stu is planning to repaint the room, but Angelica came along and scribbled all over his picture. Now he's trying to color it in so that everyone can see his drawing. To help Tommy, shade in the dotted areas and you'll get a better look at his work. (By the way, you might want to use a green crayon!)

SUSIE SAYS

Susie Carmichael dishes out advice for kids on her block as only a Rugrat can!

Dear Susie,
I like to watch TV all the time. I like it so much that I want to be ON television, so I can be on the inside looking at everybody on the outside. What I wanna know is, how do I get on TV, and where will I go when it gets turned off?

Getting on TV, huh? Well, that's a tough one. Reptar did it, but he came from outer space. And the Dummi Bears have a show, but that's 'cause my daddy put them there. Are you a cartoon or from outer space? I think that'd be a good start. Meanwhile, I think you should stop watching so much TV. Staring at the screen all the time can't be good for your eyes! You should go outside once in a while! Oh, and I think that if you're on TV and it gets turned off, you've got to go to sleep. What else can you do in the dark!?

Love,
Susie

Dear Susie,
Last summer I broke my arm and all of my friends signed my cast. This summer my arm is fine, but I want my friends to write on it, anyway. My mother doesn't like the idea. What should I do?

Well, if you don't wanna get in trouble, I'd say you should get a notebook or a pad and have your friends sign THAT. I don't think your mom would mind as much, and you can keep it for a long time. Plus, it's better than having magic marker all over your arm. How messy!

Love,
Susie

Dear Susie,
If I'm playing hide-and-go-seek, and the kid who's "it" cheats and knows where I'm hiding ahead of time because he's a sneaky popcorn-head and then I don't wanna play anymore because of that--what I wanna know is can I cheat back and peek at where he's hiding just like he did?

You need to take a breath. Ready? Okay. You shouldn't cheat on a cheater, because then that makes you a cheater. Tell your friend to play by the rules or you won't play with him anymore. That ought to do it!

Love,
Susie

I THINK THE STARS LOOK BOOTY-FULL, TOMMY!
B-BUT BIG SCARY ALIUMS COME FROM OUTSIDE SPACE!
WHY WOULD YOUR MOMMY AND DADDY PUT ALIUMS IN YOUR ROOM, TOMMY?

WELL, GRANDPA ONCE TOLD ME A STORY ABOUT A COW WHO JUMPED OVER THE MOON.
REALLY? I DIDN'T KNOW THAT.
YEAH, LIL, AND DID YOU KNOW THE MOON IS MADE OF CHEESE?
CHEESE!
OUTSIDE SPACE SURE IS A YUMMY PLACE!
WAIT! IF THERE ARE COWS IN SPACE, THEN THAT MEANS THERE'S ALSO...

SPACE COWBOYS!
YEAH!
SEE, CHUCKIE, OUTSIDE SPACE ISN'T SCARY!
YOU'RE RIGHT, TOMMY. YOUR MOMMY AND DADDY GIVE YOU THE BESTEST STUFFS.
-YAWN- THEY SURE DO...
I WISH I HAD OUTSIDE SPACE STICKIES IN MY ROOM... -YAWN-.

WE DON'T HAVE TO, PHIL. TOMMY'S MOMMY AND DADDY BRINGED OUTSIDE SPACE INSIDE FOR US...
THAT'S RIGHT, CHUCKIE... -YAWN-.
ZZZZZZZZZZZZ
SO WHAT DID LIPSCHITZ SAY THESE GLOW-IN-THE-DARK STICKERS ARE SUPPOSED TO DO FOR THE KIDS, DEED?
